Ice cream party held at My Home

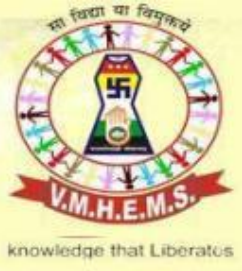

Students enjoying their ice cream on a hot day.

An Ice cream party was celebrated enthusiastically in M Home English Medium School, recently. The party was celebrated as a farewell to the pre-primary section. The teachers guided all the students on how to spend their holidays productively.

The students were also told that they should take

care of themselves in the scorching heat. They should stay away from sun-burn, eat healthy food, revise your previous year's syllabus. All the tiny tots enjoyed the party very much.

School in-charge Dr. Arti Jain and director Dr. Virendra Jain guided the students on this occasion.

Science Day celebrated in My Home school

LOKMAT NEWS NETWORK
NASHIK, MAR 5

Science day was celebrated in My Home English Medium school, Mhasrul recently. Students started preparations for the Science fair a couple of months in advance. The first step was brainstorming. Students began by collecting a lot of information about their topic using their science textbook. The principal invited ideas for the event from students, teachers, and even parents. On 28th Feb. The Science fair was inaugurated by school principal Dr. Arti Jain. This day is celebrated to mark the discovery of Raman effects by the renowned physicist C.V. Raman. Many of students took part in science exhibition and spoke on the work of C.V. Raman in the field of science.

Students proudly present the science models they made for the exhibition.

The objective behind this celebration was to show gratitude and love towards

lifted their projects on bio-diversity, wind mill, mag-

National Science Day

To explore new horizons and push scientific frontiers further, it is vital that our youth develop a passion for science. It is with this aim that the Delhi Public School, Nashik organised various events on National Science Day on February 28.

Class 1 and class 2 students dressed up as scientists and inventors. It was a very informative session where the students spoke about the scientists and brought models of their discoveries and inventions. Boldness and confidence was showed by the young students. Class 3 and class 4 had an amazing quiz contest in the Maths Lab.

There were four rounds conducted - Word Detector Round, Wrack Your Brain Round, Visual Round and Rapid Fire Round.

Little students dressed up as inventors

exhibition with scientific experimental setups, posters, working models and many more. It encouraged scientific and technological creativity among students and inculcated a sense of pride in showcasing their talent.

Plastic goes green at My Home English school

The students of My Home English Medium school primary section planted saplings in plastic bottles. They used old, used bottles for this purpose. They were instructed by respective class teachers for this activity.

They collected the bottles, soil and water to plant the saplings. They cut the bottles vertically to make them into planters.

The main aim of this activity was to promote the students to use waste things for best purpose. Through this activity they give message to take care of the environment.

All the students were took part in this activity and it brought many smiles in the faces of the happy students. School in-charge Arti Jain and director Dr. Jain guided the activity.

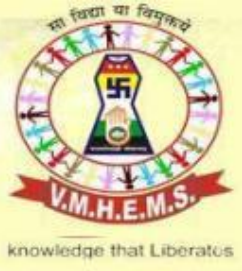

Best From Waste
